SUMMARY

Python Full-Stack Developer with hands-on experience in building scalable web applications using Flask, Django, Vue.js, and MySQL. Skilled in developing RESTful APIs, implementing secure authentication systems, and creating responsive user interfaces. Strong focus on writing clean, maintainable code and optimizing performance.

SKILLS

Languages & Database: Python, JavaScript, PHP,MySQL

Frameworks: Flask, Django, Vue.js

Web Technologies: HTML5, CSS3, Responsive Design

Concepts: REST APIs, CRUD Operations, RBAC, API Integration

Tools: Git, GitHub, VS Code, Vercel, Render

EXPERIENCE

Full-Stack Web Developer Intern

Aug 2025 - Dec 2025

Kuniya Institute of computer education, Kasaragod, Kerala

- Developed a full-stack HR Management System using Python, Flask, Vue.js, and MySQL
- Built RESTful APIs for authentication, employee management, payroll, and leave tracking
- Implemented role-based access control (RBAC) to enhance system security
- Optimized MySQL queries, improving application performance and response time
- Designed responsive dashboards for better user experience across devices
- Managed version control using Git and deployed applications on cloud platforms

PROJECTS

HR Management System

- Developed a scalable web application for employee management, payroll, and attendance tracking
- Designed and integrated secure REST APIs for backend communication
- Improved system efficiency through optimized database queries

Personal Portfolio Website (Vue.js, Python(flask), Resend API)

- Built and deployed a responsive portfolio using Vue.js and Flask
- Integrated secure contact form using Resend API for real-time communication
- Ensured cross-device compatibility with optimized UI performance

GTG Perfume E-Commerce (HTML, CSS, JavaScript)

- Developed a responsive e-commerce interface using HTML, CSS, and JavaScript
- Designed user-friendly UI components to improve engagement and usability
- Applied mobile-first design principles for seamless navigation

EDUCATION

Python Full-Stack Web Development

2024-2025

Kuniya Institute of Computer Education, kasargod

BCA in computer science and IT

2026 - Present

Yeneopoya University, Mangalore
